Logo / favicon

Monogram **AJ** set in Space Grotesk on ink navy, with a single gold dot. Wordmark = **Alex Ji** in the heading font. Scales cleanly to a 16px favicon.

Style note (added to Claude Project)

Fonts: Space Grotesk (headings) · Inter (body). **Palette:** ink #14213D · text #1F2328 · bg #FBFBF9 · accent #D4A017.

Mood: calm, engineered, honest — a quiet navy-and-gold frame that stays out of the way, so the work (the numbers, the repos) is the loudest thing on the page.
