TYPE

HEADING — IBM PLEX SANS

I ship AI agents you can audit.

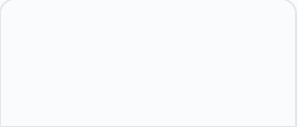

BODY — IBM PLEX SANS

Direct, plain, honest — proof over adjectives. A trading OS, an open-source agent stack, a compliance council a bank can audit. regular / **bold**.

NUMBERS & CODE — IBM PLEX MONO

LOGO / FAVICON / WORDMARK

Alex Ji

Monogram **AJ** in IBM Plex Sans on ink slate + a single teal dot. Wordmark = full name in the heading font. Scales to a 16px favicon; ships as `favicon.ico` (16/32/48).

STYLE NOTE (ADDED TO CLAUDE PROJECT)

Fonts: IBM Plex Sans (headings & body) · IBM Plex Mono (numbers/code). **Palette:** ink #13202B · text #1F2530 · bg #FAFBFC · accent teal #0F766E.

Mood: calm, engineered, honest — a cool slate-and-teal frame that stays out of the way, so the work (the numbers, the repos) is the loudest thing on the page.
